SATURDAY 15 JUNE – PARIS

Today you will enjoy a full day tour to Giverny to visit Fondation Monet. The House and Garden have been recognised as a "Maison des Illustres" and "Jardin remarquable" rewarding their outstanding qualities. The estate was classified as a Monument historique in 1976. Claude Monet lived and painted in Giverny from 1883 to his death in 1926, and directed the renovation of the house, retaining its pink-painted walls. Colours from the painter's own palette were used for the interior -green for the doors and shutters, yellow in the dining room, complete with Japanese Prints from the 18th and 19th centuries, and blue for the kitchen. Monet had the nearby river Epte partially diverted for the gardens and hired up to seven gardeners to tend to it. Monet gained much of his inspiration from his gardens and believed it was important to surround himself with nature and paint outdoors. (B, L)

SUNDAY 16 JUNE – PARIS

This morning is all about taste and smell as you embark on a gourmet tour of Paris. This tour takes you around the historical Latin Quarter, famous for its many specialty foods. (B)

(B)

TUESDAY 18 JUNE - PARIS–DIJON–BEAUNE–ST. JEAN DE LOSNE (EMBARKATION)–SEURRE

This morning, board the TGV train to Dijon and from there, drive to Beaune, the unofficial capital of the Côte d'Or area. Beaune owes its wealth to the production, aging, and selling of

fine wines. Although life here centers around wine, Beaune offers much more. Visit the HÔTEL-DIEU charity hospital, built in 1443 and paid for by the chancellor of Burgundy after the Hundred Years' War left many of the town's population destitute. Today it houses Van der Weyden's painting of The Last Judgment and is one of France's architectural highlights. Then, continue to St. Jean de Losne, where you'll board your river cruise vessel. Before dinner, meet your crew at a welcome reception as your ship departs for Seurre. (B, D)

WEDNESDAY 19 JUNE - SEURRE-MACON

Enjoy some leisurely cruising this morning. In the afternoon, you might choose to participate in an optional excursion, such as to a Chardonnay wine cellar, before your ship arrives in Mâcon. In the late afternoon, enjoy an ONBOARD CHEESE TASTING. (B, L, D)

THURSDAY 20 JUNE - LYON

Lyon, France's third-largest city and its gastronomic capital, was founded by the Romans in 43 BC. The city's prosperity dates back to the 16th century and is due to commercial, industrial, and banking activities. Roman remains, excellent museums, and renaissance architecture delight visitors. A LOCAL GUIDE joins you as you survey the city from Fourvière Hill and explore the Old Town with its maze of medieval alleyways, and Place des Terreaux, a popular area with lively cafés, monuments, and the famous fountain often depicted on postcards. (B, L, D)

FRIDAY 21 JUNE - LYON

Enjoy a free day in this fascinating city to explore at leisure. Early risers might like to visit the local produce market. Perhaps wander through one of Lyon's parks, discover some of the murals (there are over 100), or select one of the available optional excursions. Be sure to taste the gastronomic delights and sample Beaujolais, the wine of the region; wine connoisseurs know that the grapes must be hand-picked. Your Cruise Director will have plenty of suggestions for things to do. (B, L, D)

SATURDAY 22 JUNE - TOURNON/TAIN L'HERMITAGE-VIVIERS

The twin cities of Tournon and Tain l'Hermitage lie nestled among vineyards between the Rhône River and the granite slopes of the Hermitage. A LOCAL GUIDE will show you Tournon, one of France's oldest medieval cities, with its imposing 16th-century castle and Roman ruins. Arriving in Viviers in the afternoon, a GUIDED WALK shows you this charming town that developed around its ROMANESQUE CATHEDRAL. The OLD TOWN has an appealing mix of Christian, Roman, and medieval influences. (B, L, D)

SUNDAY 23 JUNE - AVIGNON

The fortified city of Avignon is the capital of the Vaucluse region, the most picturesque part of Provence with its intact ramparts encircling the entire city, cobblestone streets and squares, and private mansions built in the 18th and 19th centuries. Known as the "City of Popes," it was the center of the Catholic Church in the 14th century. During your GUIDED TOUR you may choose to join an included visit of the PALACE OF THE POPES, built in the 14th century as the sovereign popes' residence. A photo of the famous Pont Saint Bénézet

(Saint Bénézet Bridge), of the popular song Sur le Pont d'Avignon, is a must. Optional outings to Pont du Gard or to the famed wine cellars of Châteauneuf-du-Pape are available. **(B,L, D)**

MONDAY 24 JUNE - ARLES

This morning, wake up early to the tranquil vistas of Camargue National Park (daylight permitting) before arriving in Arles after breakfast. Located on the northern tip of the Camargue, Arles is capital of the Provence region. Your LOCAL GUIDE will show you highlights of the city and you'll visit the ROMAN AMPHITHEATER. Still used today, it dates to the 1st century and was constructed to hold more than 20,000 spectators. (B, L, D)

TUESDAY 25 JUNE – ARLES (DISEMBARKATION)–CÔTE D'AZUR

After breakfast, a comfortable motorcoach ride takes you to the Côte d'Azur for a last night in France. Also known as the French Riviera, the Côte d'Azur stretches along France's Mediterranean coast from Toulon to the Italian border, and is synonymous with prestige and beauty. (B)
